

Paper Dog

Preschoolers can learn origami - the Japanese art of paper folding - with this craft activity.

What You Will Need:

- Square sheet of origami paper (or any other type of paper)
- Marker

Instructions:

- Place a square sheet of paper on the table so it resembles a diamond.
- Fold the top point to touch the bottom point.
- Fold part of the bottom of the top layer to make a mouth.
- Fold the top corners facing down - these are the ears.
- Use the marker to draw the eyes and the tip of the nose.
